

To: WFC Owners interested in Board Service
From: WFC Board of Directors
Date: March 2018

Thank you for your interest in the WFC Board of Directors. This packet contains information to help you decide whether Board service is a good fit for you, as well as the forms necessary for application. There are at least four (4) positions open in the 2018 election.

Board members are asked to serve at least one three-year term, and may serve up to three consecutive three-year terms. To be eligible, you must be a primary Owner with a minimum of ninety (90) days of consecutive ownership. You must also have attended at least one of the 12 most recent Board meetings prior to the application deadline (August 1).

What is the Board's Role?

The Board of Directors is the legal representative of WFC Owners and is responsible for the overall well-being of the Co-op. The Board exercises its authority through its relationship with the General Manager whom it hires and monitors. The Board's expectations and requirements for the General Manager's performance are clearly stated in the Board's written policies. The Board ensures the Co-op's success by verifying that the General Manager remains in compliance with those policies. WFC maintains director and officer liability insurance coverage.

What the Board Does Not Do

The Board does not involve itself in operational details. It does not make decisions about the products on store shelves, the specifics of personnel issues or other day-to-day matters. The Board governs by declaring, through its policies, the results it wants and the actions it wants the General Manager to avoid while achieving those results.

Who Should Run for the Board?

Any primary Owner with a minimum of ninety (90) days of consecutive ownership is eligible to run for a seat on the Board. The following capabilities reflect the nature of the Board's work:

- Constructive and creative leadership skills, sound reasoning and judgment, and the ability to think strategically within the structure of the Board governance process.
- Desire to develop visionary ideas through study, advisement and discussion. This includes an ability to communicate well within a group setting, to speak up, listen well and consider diverse opinions.
- Interest in the cooperative business model, board process, and agreement to work within the policy governance framework, including the development and refinement of new and existing policies.
- Willingness to publicly stand behind Board decisions regardless of personal positions.
- Connection to Owners -- beyond a narrow demographic, an interest in the whole organization and community.
- Understanding of and commitment to the Ends Statement of the Whole Foods Co-op.

If you have any questions, please feel free to contact Jamie Harvie (Recruitment Committee Chair) at jharvie@wholefoods.coop or any member of the Board.
